### **DETAILED ACTION**

This application is an original application filed July 23, 1999 which claims benefit to provisional application 60/094,008, filed July 24, 1998.

Applicants' after final amendment filed September 15, 2003, has been received and entered. Claims 2, 3, 5, 7, 8, 11-22, 32-40, 42-49 and 51 have been canceled. Claim 1 has been amended. Claims 1, 4, 6, 23-31 and 41 are pending and currently under examination.

### ***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance:

The amendment to claim 1 has obviated the remaining rejection of record. Specifically, the amendment to the claim is consistent with that set forth in the final office action mailed April 9, 2003, obviating the basis of the scope of enablement rejection. The present invention is drawn to the discovery that the expression of Dpp results in an increased number of germline stem cells in the germaria of *Drosophila*.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
